Starting at: Tilloy-Floriville Mairie (Town Hall).

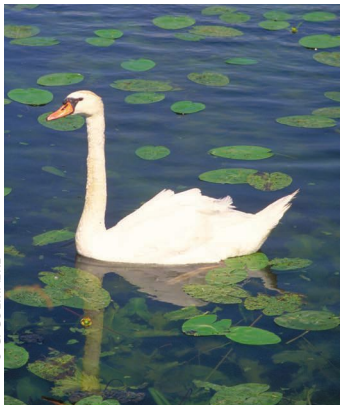

Tilloy-Floriville, 26km south-west of Abbeville, 6km east of Gamaches.

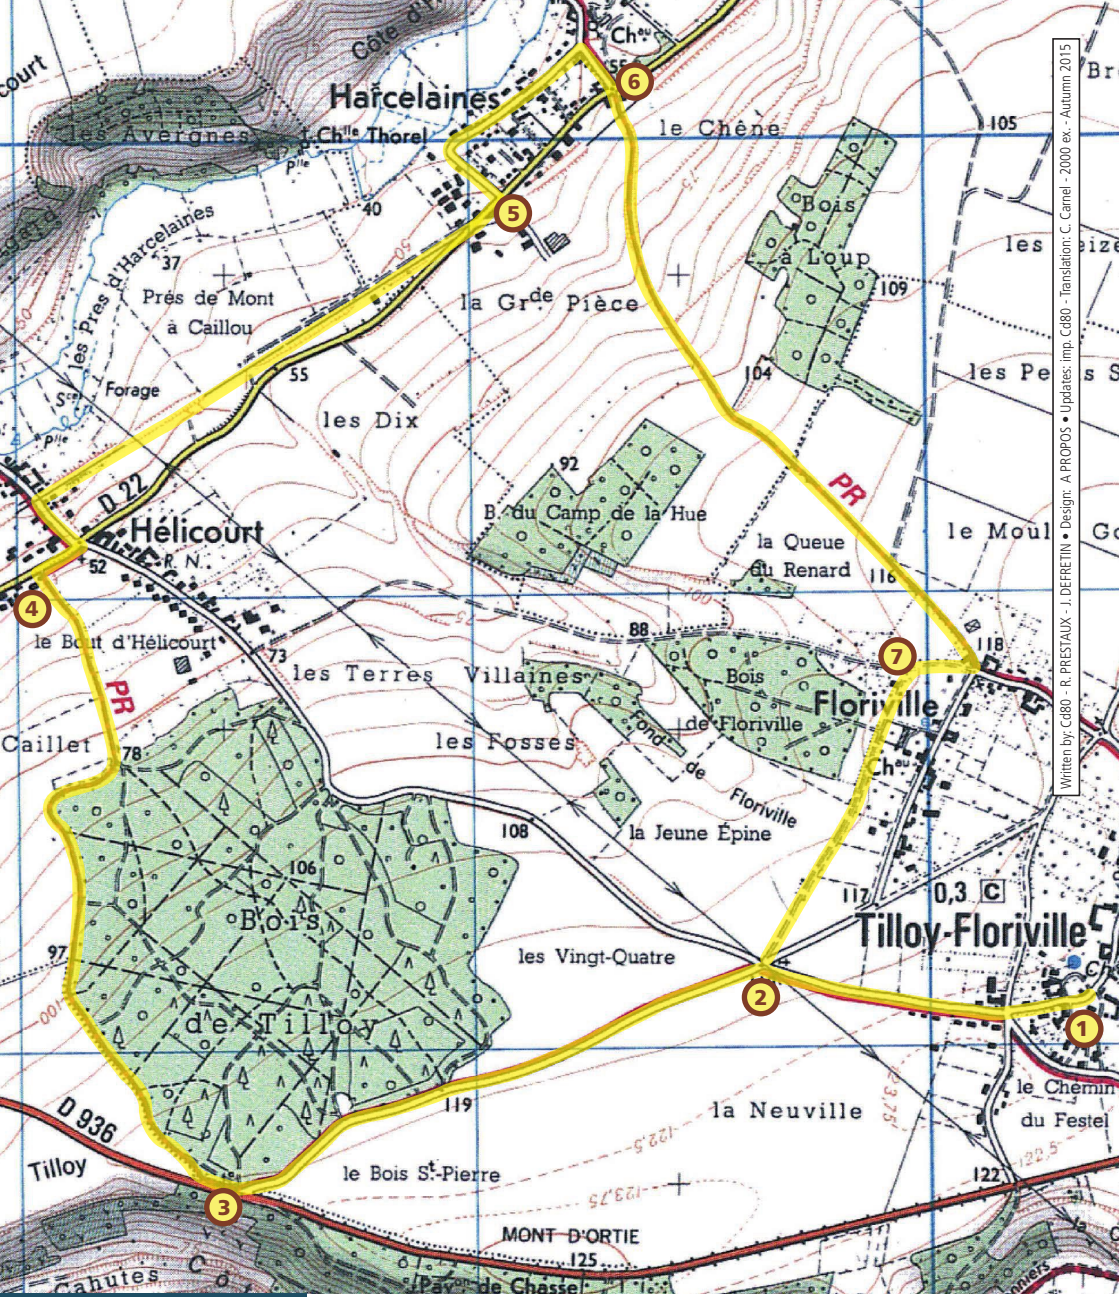

1. With your back to the Mairie (Town Hall), head left. Pass behind the church, ignoring Rue du Chateau d'Eau on the right. At the next crossroads, continue straight on along Rue de la Neuville in the direction of Hélicourt.
   ▶ *The Tilloy-Floriville, St. Jean Baptiste Church was built in the 16th century and restored at the end of the 18th century. The Gamaches / Longpré-les-Corps-Saints railway line once passed through Hélicourt, a hamlet of Tilloy. The St. Marie-Madeleine Church dates from the 19th century; its choir was destroyed during the bombardments of 1944 and was rebuilt in 1960.*
2. At the crossroads by the chapel, head left and continue straight on along the road until you reach the D936.
3. Just before the D936, head right along the track that runs alongside the Tilloy Woods. Walk beside these woods without entering them and then turn left to reach the D22.
4. At the entrance to Hélicourt, turn right and then left along Rue de l'Eglise. 50 metres farther on, turn right along the trail that runs almost parallel to the D22, and which meets this road at the entrance to the village of Harcelaines.
   ▶ *A chateau and the 18th century St. Martin Chapel can be found in this hamlet of Maisnières-en-Vimeu. The Vimeuse River flows on the left, between Hélicourt and Harcelaines*
5. Turn left and then right, and continue to the next crossroads. Leaving the cemetery and church to your left, continue to the D22.
6. Cross this road and climb onto the plateau. Continue to the first houses of Floriville, turn right and continue 50 metres.
7. Head left, pass in front of the 17th century Floriville Chateau and continue to the road. When you reach the road head right and then left to return to Tilloy-Floriville.
